EXPERIENCE

Lead Consultant

Duvon Consulting (self-employed)

March 2024 - Present

- Co-founded Duvon Consulting, a firm specialized in providing solo entrepreneurs and small businesses technical and strategic guidance from discovery to implementation and support.
- Primary focus areas: Sales and Legal Operations (CRM, CLM, eSignature), Data Management, Web Design, and Digital Marketing
- Cultivate and manage client relationships, identifying needs, developing customized service plans, overseeing project execution, and leading a team of skilled professionals to ensure high-quality service delivery.

Solution Engineer - Enterprise Presales

DocuSign (San Francisco, CA)

May 2022 - March 2024

- Developed and presented tailored product demonstrations of integrated eSignature and CLM solutions to clients and prospects, empowering enterprise sales team.
- Increased DocuSign gross new monthly recurring revenue (GNMRR) by over \$100,000 within assigned territory through collaborative efforts with the sales team, identifying customer needs, and crafting compelling solution presentations.
- Delivered impactful product demonstrations to key stakeholders, resulting in an over 50% win rate for targeted accounts.
- Partnered with internal teams to ensure a seamless buying experience for clients, achieving a 90% customer satisfaction rating.

Consultant - DocuSign Implementation

Spaulding Ridge (Remote - CA)

January 2021 - May 2022

- Spearheaded integrated, cloud-based CLM solutions for clients, with an average project value of over \$500,000.
- Led DocuSign platform training and support sessions for over 100 client administrators and end-users, ensuring customer success.
- Boosted Spaulding Ridge's sales close rate by providing SME-level insight to deal scoping, LOE estimations, and SOW drafting.
- Revamped and streamlined Spaulding Ridge's internal onboarding program for new consultants, including CLM and eSignature certification, best practices documentation, and mentorship opportunities.

Director of Operations

Illinois Cannabis Training Center, Inc. (Chicago, IL)

September 2019 - June 2021

- Developed ICTC's suite of professional training courses with the approval of the State of Illinois' Department of Financial and Professional Regulation, empowering residents with a trusted certification path to employment in the legal Cannabis industry.
- Co-authored and deployed pilot program to professionally certify 250 Black men and women, including 50 formerly incarcerated individuals, facilitating professional success in marginalized communities.

Patent Engineer

Cardinal Intellectual Property (Evanston, IL)

July 2018 - November 2020

- Analyzed thousands of mechanical designs and compared proposed novel invention's engineering plans to previously filed patents.
- Drafted hundreds of search reports for U.S. and international patent applicants on behalf of the US Patent & Trademark Office.
- Prepared 300+ technical reports on proposed inventions' industrial applicability in industries including mechanical systems, medical devices, renewable energy, food & beverage, robotics, aerospace, agriculture, and consumer devices.
- Performed 100+ patent landscape studies and advised start-ups, small businesses, and corporations based on efficient identification of industry whitespace.
